

On a cold day in winter
a dad and his son
take a walk in the park
for some afternoon fun.

Timothy Pope, Timothy Pope
has brought along his telescope.

As snowflakes tumble in the air,
he looks left,

he looks right,

he looks everywhere.

And this is what he sees.

It's a bit of a shock.

Young Tim whispers, "Oh no!"
Then he takes a deep breath
and yells,

**"SHARK IN
THE SNOW!"**

A shark? Tee-hee-hee!
That's the top of a tree!
