PUFFIN

Here I am, little
Kiki Dime.

I have a brain that's
hullabaloo.

It **buzzes** all day and most of the night.

It **buzzes** when I'm sat on the

There are colours and words.

There are shapes; there are things.

There are thoughts about life.

Snuckle-CHUCKLE

Swim or fly?
Both!

What does the tooth fairy do with all the teeth?

Mashed Potatoes

I bet I could run faster than a cheetah.

Where did I leave my cookie?

Weeeeeeeee

There are mermaids with wings.

When is lunch?

It gets **loud**. It gets **fast**,
and I'm sometimes so tired.
Then I head off to bed though
I'm still really **wired** . . .

Like a **buzzing** machine, no on button, just look!
It doesn't even come with an instruction book!

I get good ideas, but I stop halfway through,
because I get really bored and then find something new.

I love seeing my friends, but when we are playing,
I suddenly stop as I forget what I'm saying.

Miss Wriggle says,
"Kiki, stop daydreaming.
FOCUS!"

"But miss, can't you
see there's a bright
purple crocus!"

... Oh

Sorry.

I got distracted.
