

Molly lived in the jungle with all the other monkeys, dancing and playing and being silly among the treetops.

But Molly had a secret.

Molly was a pig.

Molly knew that she was different
from the others, but nobody else
had ever noticed.

Then one day, Norman, the head-monkey,
called a monkey gathering.

Norman announced some troubling news to the assembled monkeys – that a strange, **non-monkey** scent had been smelt in the treetops.

Everyone gasped in shock.

An impostor!

Who could it be?

There is an IMPOSTOR
among us, pretending to be a monkey!
We must find out WHO the fake
monkey is and banish them from
our tribe **forever**.
